Re: *In re Aluminum Warehousing Antitrust Litig.*, No. 13-md-2481-KBF
First Level Purchaser Plaintiffs, No. 14-cv-3116-KBF

Dear Judge Forrest:

We write on behalf of defendant Glencore plc (f/k/a "Glencore Xstrata plc") in response to Linda Nussbaum's August 20, 2014 letter to the Court on behalf of the First Level Purchaser Plaintiffs ("Plaintiffs") (ECF No. 560), which attempts to circumvent Your Honor's Rule 2(D).

Glencore plc's 2014 Half-Year Report, H1 2014 Results Presentation, and the Transcript of Glencore plc's S1 2014 earnings call – which Plaintiffs have attached to their August 20 letter – are identical in all relevant respects to analogous reports for the prior reporting periods, all of which were available to Plaintiffs on the www.glencore.com website when they submitted their August 14, 2014 Opposition brief with other documents accessed from the same website (ECF No. 544). The newly-submitted documents, like the documents Plaintiffs have cited in their Opposition and the earlier reports available on the www.glencore.com website, refer to the world-wide operations of the Glencore group of companies, and not to any business activities by the ultimate parent, Glencore plc.
